

Sick and Housebound

Under new guidance from the Archdiocese of Liverpool and in order to comply with changes in data protection law, we have been asked to seek consent from those who are sick before publishing their names on this list, because it is displayed at the back of church and published on our website.

If you would like your name or the name of a friend or relative to be included in this list, please complete a form, which can be found at the back of church, and hand it in to the Sacristy.

In a couple of weeks' time, the list will be restarted with the names of all for whom we have consent. This is necessary to make sure we take proper care of your information and comply with current data protection law.
